SOLE DECLARATION ACCOMPANYING PATENT APPLICATION

As the below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled above and as set forth in the attached specification.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims and drawings.

I acknowledge the duty to disclose information which is material to the examination of this patent application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that I do not know and do not believe that said invention was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof, or patented or described in any printed publication more than one year before the filing date of this application, or in public use or on sale in the United States of America more than one year before the date of this patent application, that said invention has not been patented or made the subject of any inventor's certificate issued before the filing date of this patent application in any country foreign to the United States of America on any application filed by me or my legal representatives or assigns more than twelve months prior to the filing date of this patent application in the United States of America, and has not been abandoned.

POWER OF ATTORNEY

I hereby appoint Robert F. Frijout, Registration No. 26,546; Charles R. Rust, Registration No. 18,716; and Ray S. Pyle, Registration No. 15,830, of 201 East Davis Boulevard, Tampa, Florida 33606, (813) 254-5100, as my attorneys to prosecute this application and to transact all business in the Patent Office connected therewith.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
